

Dear Parents:

We see that you have sent an iPad in with your student. In order to best provide for your child's individual needs, please answer the following questions:

1. What do you see as the purpose for your child in using the iPad?

2. How do you see this device integrated into their academics or to assist in meeting IEP goals?

3. How proficient is your child in using the device?
 - a. ___Independent
 - b. ___Needs adult assist to get programs set up
 - c. ___Needs adult monitoring to stay in the same program
 - d. ___Needs constant assistance
 - e. ___Can transport device safely from one environment to another

4. If your child has been using the device, for what purpose (watching movies, reading books, playing games, academics, reward time, etc.)?

5. Do you have a protective case that would protect it in case of dropping, throwing, etc.?

6. Do you have a replacement policy for the device?

Based on your responses we may need to set up a meeting to further discuss how this technology may be integrated into the school day.
