

Loan Bank Spotlight Items: First Author Writing Software

<http://donjohnston.com/firstauthorsoftware/>

Now available to check out through the loan bank!

- First Author Writing Software is loaded onto a Dell Vostro 1520 laptop.
- First Author is a software tool that supports beginning writers, especially those with special needs across all phases of the writing process.
- As a computer-based writing environment it operates in parallel with exemplary models of writing instruction.
- First Author provides the writer with accommodations such as picture prompts, word banks, on-screen keyboard, auditory feedback and other tools to ensure a successful writing experience.
- The software is accessible to all students, including those with severe speech and physical impairments.
- The First Author software includes progress monitoring and graphing options for teachers to collect, analyze and share student data.
- Don Johnston offers a variety of resources and video tutorials on their website to provide you with more information <http://donjohnston.com/firstauthorresources/>.
