

Loan Bank Spotlight Item: GoTalk Express 32

Now available to check out through the loan bank!

The GoTalk Express 32 is a durable, digitized, and leveled Augmentative Alternative Communication (AAC) device sold by the Attainment Company. The device has 32 locations and holds recording for up to 5 levels/communication pages. Here are some of the features:

- Provides the option of playing one message per each location selection or sequencing multiple messages/words/phrases before playing the entire message (can play up to 8 messages/locations per sequence)
- Able to lock the device level and lock recording capabilities
- Headphone port and 2 switch ports
- Visual cueing provides four bright LED lights around each location
- Auditory cueing available, choose between a 1.5 second recorded cue or beeps
- Programmable scanning (1 or 2 switch) - step, linear, or group scanning available, ability to scan every other message, and choose scanning speed
- Size: 14¼ x 10 x 1¾ inches
- Weight: 2¼ pounds
- Powered by three AA batteries or AC Adapter
- Easy to record and program
